

# WECK JARS WHOLESALE

# SVC

Sous Vide Consulting offers for sale the entire range of WECK products (jars, glass lids, rubber seals, clips and other accessories). The products are sold wholesale and delivered on pallets. To obtain a quote, please send us by email the references that interest you and the number of pallets. We will then be able to provide you with a quotation including the shipping costs. If you have a valid EU VAT number, you will not need to advance VAT and your payment can be made directly excluding VAT. We can also deliver the pallets to the freight forwarder of your choice located in Europe.
